DynamicsWorld.co.uk Names Andy Snook of Fastpath One of “Microsoft Dynamics Top 100 Most Influential People” for the Third Time

Des Moines, IA , May 7, 2013 – Fastpath, Inc, the leader in audit, compliance and security solutions, is pleased to announce that Andy Snook, president, has been chosen as the 14th most influential person on the Microsoft Dynamics Top 100 Most Influential People List.

The list, first published in 2009, bases its choices on a number of criteria including:

- Number of nominations received
- Number of Microsoft Dynamics employees
- Number of clients
- How many social media followers
- Years of experience with Microsoft Dynamics
- MVP recipients
- Add-on development
- Speaking/Writing assignments around Microsoft Dynamics
- Number of votes received

“I’m honored to make the list for a third year in a row,” said Snook. “And I’m grateful to be in such good company on the list.”

Snook is a frequent speaker on IT audit best practices, streamlining IT security and overcoming IT compliance challenges. He is a Certified in Risk and Information Systems Controls (CRISC) as well as certified in Microsoft Dynamics and SAP.

Snook has been designing audit and compliance solutions for over 10 years and has assisted with compliance projects at more than 100 companies. Under his leadership, Fastpath has grown to support more than 600 companies in over 30 different countries and is recognized as an Industry Leader by the Institute of Internal Auditors.
