**Sandler\*Kahne Software, Inc. Named to  
2014 Microsoft Dynamics President's Club**

Microsoft recognizes Sandler\*Kahne Software Inc. for a 10<sup>th</sup> year.

**NORTH BETHESDA, MD — July 22, 2014** — Sandler•Kahne Software, Inc., a software development company dedicated to providing global electronic banking solutions for Microsoft Dynamics, has been named to the 2014 Microsoft Dynamics President's Club for the 10th consecutive year. This achievement is a direct result of Sandler\*Kahne Software's outstanding dedication to customer satisfaction through the delivery of a feature rich suite of electronic banking products designed to improve automation and enhance security for Dynamics users.

The Microsoft Dynamics President's Club honors high-performing Microsoft Dynamics partners with commitments to customers that are reflected in their business success and growth. This prestigious group represents the top 5 percent of Microsoft Dynamics partners worldwide. Membership is granted based on their continual, committed efforts aimed at offering solutions that meet the needs of their customers. Sandler\*Kahne Software's flagship product, The eBanking Suite, has evolved over the last 20 years to address the growing demands of Dynamics SL and Dynamics AX users around the world.

This acknowledgment came during the Microsoft Worldwide Partner Conference (WPC) 2014, the company's annual premier partner event, which took place this year in Washington D.C. WPC provides Microsoft Corp.'s partner community with the largest opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills.

“Each year we recognize and honor Microsoft Dynamics partners from around the world for exemplary performance,” said Neil Holloway, Corporate Vice President, Microsoft Business Solutions Sales & Partners. “The award-winning partners contribute to the ecosystem and customer businesses alike through their exceptional commitment and expertise. Microsoft is honored to recognize Sandler\*Kahne Software for their achievements this past year and for their dedication and support of Microsoft Dynamics applications.”

Sandler\*Kahne Software has developed added-value software solutions for the Microsoft Dynamics community for over 20 years. By collaborating with the teams at Microsoft, the software developer maintains a comprehensive understanding of the Microsoft Dynamics platform to provide innovative solutions, services and unparalleled value to Microsoft Dynamics customers. The company participates year after year as part of the Microsoft Partner Advisory Board and their ever-popular eBanking Suite has earned the Certified for Microsoft Dynamics designation.
